

**FORM 11**

**IMPORTATION OF EXHIBITS  
ON A BONDED BASIS**

To: Taiwan External Trade Development Council (TAITRA)

Having decided to participate in INTERWOOD TAIPEI 2008 held at the Taipei World Trade Center ( July 4-7, 2008 ), this company requests your approval for customs clearance of our exhibits to be effected on a bonded basis and that your esteemed organization act as the consignee. We assure you that we shall strictly observe customs regulations for foreign exhibits provided in the Exhibitor's Manual, of which the essential points are set forth below:

1. Under no circumstances, shall bonded exhibits be sold or consumed (not even on a trial basis for such items as foods and beverages).
2. Upon conclusion of the show, these bonded exhibits shall be handed over in total quantity to the official forwarder, who shall first have them stored at the TWTC bonded warehouse and then take care of customs clearance for importation or for re-export procedures.
3. The duration for exhibits to be stored at the bonded warehouse shall not exceed 3 months, otherwise they shall be disposed of in accordance with the pertinent regulations of your organization.
4. This company will pay in full the amount of, storage rental of your bonded warehouse before the deadline, in accordance with the established tariff, service charges of the official forwarder, as well as the import duties and other expenses.
5. Exhibits entering on a bonded basis must be shipped on "Freight Prepaid" terms. Sea shipments must arrive at Keelung port three weeks prior to the show opening, and air shipments at Taiwan Taoyuan International Airport two weeks to give sufficient time for customs clearance. Exhibits to Taichung or Kaohsiung must arrive one more week earlier.
